

P.7 SOCIAL STUDIES SCHEME OF WORK  
TERM III 2023

WEEK	TOPIC	CONTENT	SUBJECT COMP	LANGUAGE COMP	METHODS	L/ACTIVITIES	L/SKILLS	L/AIDS	REF	R.M
1.1	Living together in Africa	Areas of economic development in Africa	Indicators of economic development	Defines development and economic development	Reads, pronounces, spells, writes and correctly uses the following words related to the lesson e.g, economic development, resource, wealth, trade, industry, natural, non-renewable	Group discussion Brain storming	Listing the major economic resources	Creative thinking appreciation	Local environment Atlas Wall chart	The Sipro Tr's Guid e P.2-4
2	Living together in Africa	Economic resources in Africa	- Meaning and example of resources Types of resources - Natural and human made resources - Types of Natural resources - Renewable resources - Nonrenewable resources.	Defines the resource Mentions the types of resource and types of natural resources.	Reads, pronounces, spells, writes and correctly uses the following words related to the lesson e.g, economic development, resource, wealth, trade, industry, natural, non-renewable	Group discussion Brain storming	Listing the major economic resources	Creative thinking appreciation	Local environment Atlas Wall chart	The Sipro Tr's Guid e P.5-6
3	Living together	Economic activities	Examples of economic activities	Reads, pronounces,	Group	Listing the	Creative	Local environment	The Sipro	

		er in Africa	development in Africa	activities	- Primary activities - Secondary activities - Tertiary activities		spells, writes and correctly uses the following words related to the lesson e.g, economic development, resource, wealth, trade, industry, natural, non-renewable	discussion Brain storming	major economic resources	thinking appreciation	ment Atlas	Tr's Guide P.6-7
4	Living together in Africa	Economic development in Africa	Contribution of each economic resource in the economic development of Africa	Importance of the following.  - Land - Vegetation - Minerals - Human resource - Animals - Air - Water bodies - Rainfall, sunshine	States the economic resources  Explains how each economic resources contributes to the economic resources in Africa	Correctly uses the following words related to the lesson, water, animals, human resource vegetation, sunshine, air	Question and answer  Brainstorming  Guided discussion	Stating the importance of each major economic resource	Effective communication  Critical thinking	The environment  Atlas	The Sipro Tr's guide bk 7 P.g 9-12	
5	Living together in Africa	Economic development in Africa	Problems faced the utilization of resource	Meaning of utilization, utilize.  - Problems faced in the utilization of resources - Problems facing major economic resources e.g - Land - Water bodies - Vegetation - Human resource, - Minerals - Rainfall	States the problems facing the use of resources  Outlines the problems facing the major resources.	Utility, utilize, Technology, machinery, poaching, garbage capital, scattered quantity	Role playing  Group discussion  Brainstorming	Visiting the surrounding area to study the use of resources	Creative thinking  Analysis the situation	The environment	The Sipro Tr's guide bk 7 P.g 13-16	
2	1	Living together	Economic	Ways of protection	Ways of caring for natural	Mentions ways of caring for our	Correctly uses the following	Question	Visiting	Discussion	Local govern	The Sipro

	Living in Africa	development in Africa	and caring for our resources	resources - Land - Vegetation - Human resources - Water bodies - Animals	natural resources.	words related to the lesson to form sentences e.g care, protect, disposals, enforce, democracy, re-afforestation.	and answer Brainstorming Guided discussion	nearby environment to see different ways of destroying natural resources	making Self esteem	ment	Tr's guide bk 7 P.g. 156
2	Living together in Africa	Economic development in Africa	industrial development in Africa	meaning of terms - Industry - Industrial - Industrialization - Industrial growth  Types of industries Primary, secondary, tertiary industries, traditional ones and their examples. - Factors that influence industrial development - How each factor influences the establishment of an industry - Advantages and disadvantages of industrial development Problems facing industrial development and their solutions	Gives the meaning terms  Mentions the types of industries  States factors that have led to the industrial development and how each contributes  Tells the advantages and disadvantages of industrialisation	Industrial, industry, factory, industrialization, tertiary, lumbering, secondary, primary.	Question and answer Guided discussion Discovery exposition	Stating factors that have led to industrial development	Creative thinking Effective communication	environment	The Sipro Tr's guide bk 7 P.g 20-27
3	Living together in Africa	Economic development in	Agricultural development	Types of farming in Africa - Arable farming - Livestock farming Examples of arable farming - Plantation farming - Viticulture	Gives two major types of agriculture  Explains systems of farming practiced in	Pronounces, reads, spells, writes words: and correctly uses the following words	Question and answer discussion	Giving examples and importance	Critical thinking appreciation	SST Atlas	The Sipro Tr's guide bk 7 P.g.

		Africa		<ul style="list-style-type: none"> <li>- Horticulture</li> <li>- Floriculture</li> <li>- Agro foretry</li> </ul> <p><b>Examples of livestock farming</b></p> <ul style="list-style-type: none"> <li>- Nomadism/ Pastoralism</li> <li>- Transhumance</li> <li>- Dairy farming</li> <li>- Ranching</li> <li>- Sericulture</li> <li>- Apiculture</li> </ul> <p><b>Systems of farming</b></p> <ul style="list-style-type: none"> <li>- Subsistence farming</li> <li>- Mixed farming</li> <li>- Irrigation farming</li> <li>- Monoculture</li> <li>- Shifting cultivation</li> <li>- Bush fallowing</li> </ul> <p><b>Importance of Farming in Africa</b></p> <ul style="list-style-type: none"> <li>- Source of food, employment, income, raw materials, foreign exchange.</li> <li>- Problems facing agriculture development and their solutions</li> </ul>	Africa States the problems facing agriculture development in Africa	related to the lesson  Agriculture, farming nomads, subsistence, horticulture, sericulture, apiculture	exposition	of farmin g			29- 30	
4	Living together in Africa	Economic development in Africa	Mining in Africa	<p><b>- Meaning and types of minerals</b></p> <ul style="list-style-type: none"> <li>- Metallic minerals</li> <li>- Non metallic minerals</li> </ul> <p><b>Examples of each</b></p> <ul style="list-style-type: none"> <li>- African countries which produce minerals in large quantities e.g Nigeria, South Africa, Zambia, D.R.C</li> </ul> <p><b>Uses of some minerals</b></p> <ul style="list-style-type: none"> <li>Gold, coal, copper, limestone, soda ash, natural gas, Aluminium etc</li> </ul>	Mentions the types of minerals  Gives the uses of minerals  Mentions the methods of mining in Africa  Outlines the importance of mining	Pronounces, reads, spells, writes words and correctly uses the following words related to the lesson  E.g mining, metallic minerals, Non metallic	Question and answer  Discussion  Discovery	Outlining types, importance and method of mining	Effective communication  Critical thinking	Samples of some minerals	The Sipro Tr's guide bk 7 P.g. 33- 38	

5	Living together in Africa	Economic Development	Electricity products	<p><b>Methods of Mining minerals</b></p> <ul style="list-style-type: none"> <li>- Open cast mining</li> <li>- Drift mining</li> <li>- Alluvial mining</li> <li>- Drilling method</li> </ul> <p><b>Importance of mining industry,</b></p> <p><b>Problems and effects of mining</b></p>							
3	Living together in Africa	Economic Development in Africa	Major developments in Africa(NIGERIA)	<p><b>Forms and sources of electricity</b></p> <ul style="list-style-type: none"> <li>- H.E.P.....Fast flowing water</li> <li>- Solar energy</li> <li>- Thermal electricity</li> </ul> <p><b>Uses of electricity in AFRICA</b></p> <p>Running machines welding metals. for cooking lighting, boiling water</p> <p><b>Multipurpose projects and HEP projects in Africa</b></p> <ul style="list-style-type: none"> <li>- Meaning of multipurpose</li> <li>- Factors for undertaking multipurpose river projects</li> </ul> <p><b>Reasons for multipurpose</b></p> <ul style="list-style-type: none"> <li>- Examples of multipurpose river project Aswan high dam on R.Nile in Egypt Kainji dam on R. ZAMBEZI</li> </ul> <p><b>Importance of multipurpose River project</b></p> <ul style="list-style-type: none"> <li>- Activities done on multipurpose river projects.</li> </ul>	<p>Identifies the forms of electricity energy and their sources</p> <p>Mentions examples of multipurpose projects in Africa</p> <p>Gives the importance multipurpose projects in Africa as well as uses electricity</p>	<p>Pronounces, reads, spells, writes and correctly use the following words related to the lesson E.g electricity, energy, purpose projects, dam, thermal, Bio gas</p>	<p>Discussion Question and Answer</p> <p>Field visit</p>	<p>Identifying factors to consider in undertaking multipurpose river projects</p> <p>Mentioning examples of Multipurpose projects</p>	<p>Effective Communication</p> <p>Critical thinking</p>	<p>A table showing HEP stations</p>	<p>The sipro TR'S guide bk7</p> <p>Page 39-42</p>

				<ul style="list-style-type: none"> <li>- because of large population</li> <li>- Problems Nigeria has because of large population</li> <li>- Neighboring country of Nigeria</li> <li>- Climate Zones of Nigeria</li> <li>- How is oil formed</li> <li>- Oil field and oil wells in Nigeria</li> <li>- Oil companies</li> <li>- Oil refineries/Oil refining</li> <li>- Oil products/oil by-products</li> <li>- Nigeria as a member of OPEC</li> <li>Other members of OPEC, and objectives.</li> <li>- Benefits and problems caused facing oil industry</li> </ul>	<p>Draw the map of Nigeria showing neighbouring country</p> <p>Explains the formation of crude oil</p> <p>Tells the process of refining oil</p> <p>Gives the benefits of oil drilling</p> <p>Status the roles of OPEC</p>	<p>equatorial</p> <p>Reads, pronounces, spells, writes and correctly uses the following related words to form sentences e.g crude oil, drilling, petroleum refinery, offshore, oil well, oil fractional distillation/tower</p>	<p>Discovery Discussion Question and Answer Explanation</p>	<p>the formation of crude oil</p>	<p>Effective communication Co-operation Appreciation</p>	products	46s
2	Living together in Africa	Economic Development in Africa	Oil palm growing in Nigeria	<p>Climatic conditions that favour oil palm growing in Nigeria</p> <ul style="list-style-type: none"> <li>- Heavy rainfall</li> <li>- High temperatures</li> <li>- Processing of oil palm</li> <li>Diagram of oil palm nut</li> <li>- Products of oil palm</li> <li>- Problems facing oil palm growing</li> </ul>	<p>Mentions the types of crops grown in Nigeria</p> <p>Tells oil palm growing in Nigeria</p>	<p>Correctly uses the following words related to the lesson, farming, poverty, ignorance</p>	<p>Discovery Discussion Question and Answer Explanation</p>	<p>Telling how growing of oil palm is carried out</p>	<p>Effective communication Critical thinking</p>	<p>Sample s of oil palm nuts</p>	The sipro TR'S guide bk7 Page 52-55
3	Living Together in Africa	Economic development in Africa	Nomadism in Nigeria	<p>Types of Nomadism</p> <ul style="list-style-type: none"> <li>- Pastoralism</li> <li>- Transformation</li> <li>- The Fulani Nigeria</li> <li>- Animals kept by the Fulani</li> <li>- Problems faced by the Fulani</li> <li>- Why Fulani move from one place to another</li> </ul>	<p>Mention the tribes that practice nomadism in Nigeria</p> <p>State the problems faced by the</p>	<p>Correctly uses the following words related to the lesson, pastoralism, nomadic, Transhumance</p>	<p>Group Discussion Discovery</p>	<p>Stating problem Fulani of Nigeria faces</p>	<p>Creative thinking analysing the situation</p>	<p>African's map showing location of Fulani</p>	The sipro TR'S guide bk7 page 52-

				- Values of Cattles to the Fulani	Nigerians								
4	Living Together in Africa	Economic development in Africa	Climate of Libya	Brief background of Libya - Location and independence of Libya - Climate of Libya - Mediterranean climate - Semi desert climate - Desert climate A map of Libya and her Neighbors	Explains the location and Independence of Libya  Draws the map showing Libya and her neighbours  Tells the climate of Libya	Correctly uses the following words related to the lesson, Republic, colonies, sparse, climate coastline	Brainstorming Discovery Discussion Question and Answer	Drawing the map of Libya and her neighbours	Appreciation self esteem representation	A map showing Libya's location	55	Sipro Tr's guide p.65-68	
5	Living Together in Africa	Economic Development in Africa	Oil mining in Libya	OIL DRILLING  - Oil fields in Libya - Oil refineries in Libya - Why Libya's oil is on high demand - Trading partners of Libya - Benefits of oil in Libya - Problems caused by facing oil industries	Explain why Libya's oil is on high demand  Discusses benefits of oil industry	Reads, pronounces, spells, writes, and correctly uses the following related words to form sentences e.g  Drilling, production, sanction, sulphur	Brainstorming Discovery Discussion Question and Answer	Explanation why Libya's oil is on high demand	Effective communication critical thinking	Samples of oil products	The sipro TR'S page 68-71		
1	Living Together in Africa	Economic Development in Africa	Irrigation farming and tourism in Libya	Meaning of irrigation farming  - Importance of great human made river [River Gadaffi] to Libya - Advantages of irrigation and disadvantages of irrigation Crops grown in Libya - Factors led to the agricultural	Gives the meaning of irrigation farming  Explain how irrigation farming has been made possible in Libya  Mention the advantages and	Correctly uses the following words related to lessons e.g Climate, station, desert, official	Exposition Group Discussion Brainstorming	Drawing the map of Sudan and her neighbours	Effective Communication Creative thinking	A chart showing the map of Africa	The sipro Tr's guide bk7 page 77-78		

				decline - Tourism in Libya - Problems affected tourism in Libya - Ways to improve tourism industry - Problems facing Libya today	disadvantages of irrigation in Libya						
2	Living Together in Africa	Economic Development in Africa	Background and climate of Sudan	The people of Sudan - Rivers in Sudan - A map of Sudan and her neighbors - Climate of Sudan Mainly desert climate ie Sahara and Semi desert - Characteristics of the climatic Zones	Gives brief background to Sudan  Explains the climate of Sudan  Draws the map showing Sudan and the neighbours	Correctly uses the following words related to the lessons ,eg Climate, station, desert, official	Exposition Group Discussion Brainstorming	Drawing the map of Sudan and her neighbours	Effective Communication Creative thinking	A chart showing the map of Africa	The sipro Tr's guide bk7 page 77-78
3	Living together in Africa	Economic development in Africa	Gezira irrigation scheme	- Factors that made Gezira Irrigation successful - Diagram showing Gezira irrigation - Gezira Management Board[GMB] - Benefits of Gezira irrigation scheme to Sudan - Problems facing Gezira irrigation scheme	State the factors that made Gezira irrigation scheme  List the benefits of Gezira irrigation scheme  Outline the problems facing Gezira irrigation scheme	Correctly uses the following words related to the lessons, e.g Irrigation, Scheme benefits, success, tenant, sprinkler, canal	Discussion Discovery Exposition	Drawing the location of Gezira irrigation scheme in Sudan	Appreciation self awareness creative thinking	A chart showing Gezira irrigation scheme	The sipro Tr's guide bk7 page 79-83
4	Living Together in Africa	Economic Development in Africa	Hydro Electricity Power in Sudan and the Nile	Hydro Electricity Power stations in Sudan - Sennar dam on Blue Nile - Roseires dam on blue Nile - Jabel Aulia dam on river Nile Why sennar dam was built and its benefits	Mentions the major hydro powers stations in Sudan  Gives importance of sennar dam and other dams	Correctly uses the following words related to the lessons, e.g Hdro Electric power dam, Sennar dam	Questions and Answers Guided Discussion	Giving the importance of the Sennar dam	Critical thinking Discussion making	Chart showing the Nile valley countries	The sipro Tr's guide bk7 page 84-

			valley	The Nile River Valley - Meaning of Nile valley - Tributaries of R Nile - Nile valley countries - Economic activities of R. Nile valley countries. - Major dams on R.Nile e.g Nalubale, Kiira, Bujagali, Jabel, Aulia, Aswan high dam, Asyut dam	States the importance of the R Nile to the Nile valley	project, Nile valley	Exposition	and Nile valley			86
5	Living Together in Africa	Economic Development in Africa	Background of South Africa	Large Cities in South Africa - Pretoria - Cape town - Johannesburg Neighboring countries of South Africa Namibia, Botswana, Mozambique - A map showing South Africa - Climate and vegetation of South Africa	Gives a brief background of Africa  Explain the climate of South Africa  Draws the map of S. Africa and her neighbours	Correctly uses the following words related to the lessons, e.g Azania, Enclave, Drakensberg, high veld, summer, winter, spring	Question and Answer Guided Discussion Exposition	Drawing the map of south Africa and her neighbours	Effective communication	A chart showing map of S Africa	The Sipro Tr's guide bk7 page 87-90
5	Living Together in Africa	Economic Development in Africa	Mining in S. Africa	Examples of minerals mined in S. Africa  Gold, Diamond, Platinum, coal, Iron ore, Limestone, Uranium, Tin etc. Factors that led to the development of mining industry in S. Africa - Benefits of mining industry to S. Africa - Negative effects of mining industry - Gold mining in S. Africa	Mentions the major minerals mined in S. Africa  States the factors that led to the development of mining industry in S. Afrlca  States the benefits of mining industry in S. Africa	Correctly uses the following words related to the lessons, e.g Kimberly, Witwatersrand, Gold rush, unemployment, Rural urban migration	Question and Answers Guided Discussion Exposition Brainstorming Discovery	Observing the distribution of minerals in S. Africa	Critical thinking Self esteem	Chart showing distribution of minerals in S. Africa	The Sipro Tr's guide bk7 page 90-93
2	Living Together	Economic	Farming in S.	Sugarcane growing in S. Africa and contribution to S.	States uses of sugarcane growing	Correctly uses the following	Discussion	Observing	Problems	A chart showing	The sipro

		er in Africa	Development in Africa	Africa	Africa economy - Maize and wheat growing Live Stock farming in S. Africa - Ranching in S. Africa - Dairy Farming - Sheep and goat rearing in S. Africa - Industrialization in S. Africa	in S. Africa Explain live stock farming in S. Africa	words related to the lesson, e.g live stock, veterinary, dairy, merino, shearing	Exposition Brainstorming Discovery	farming areas in S. Africa	solving effective communication	farming areas in S.A.	Tr's guide bk7 page 94-97	
3	Living Together in Africa	Economic Development in Africa	Democratic Republic of Congo	Background and Climate of D.R.C  - People of DRC and languages - Main rivers in DRC - Lakes in DRC - Neighboring countries of DRC - Map showing DRC and her neighbors	Tells the location of D.R.C  Explains the climate of DRC  Draws the map of DRC and its neighbors	Reads, pronounces, spells, writes, and correctly uses the following related words to form sentences  Democratic, climate, altitude, latitude, borders, experiences	Question and Answer Guided Discussion  Exposition  Brainstorming	Drawing the map DRC & neighbors	Effective Communication Critical thinking	A chart showing DRC and her neighbors	The sipro Tr's guide bk7 page 106-108		
4	Living Together in Africa	Economic Development in Africa	Mining in DRC	Some minerals mined in DRC  Diamond, copper, gold, cobalt, wolfram crude oil, lead, coal, uranium etc  Methods of mining in DRC Open cast and shaft mining then their advantages and disadvantages  Benefits and problems of mining industry in DRC - Why road transport is poor in DRC - Presence of thick tropical rain	Mentions major minerals in DRC  Names the mining areas of DRC  Mentions the benefits of mining industry in DRC	Correctly uses the following words related to the lesson, e.g Soggy, leaders, exploit, open cast deep shaft	Discussion  Exposition  Brainstorming  Discovery	Giving the benefits of mining industry	Critical thinking  Discussion	Samples of minerals	The sipro Tr's guide page 109-111		

				forests It is crossed by many rivers It receives plenty of rainfall							
5	Living Together in Africa	Economic Development in Africa	Lumbering and farming	Problems facing lumbering in DRC <ul style="list-style-type: none"><li>- Poor transport</li><li>- Plenty of rain</li><li>- Fierce wild animals</li></ul> Factors which favor crop growing Fertile soil. Warm climate, rainfall <ul style="list-style-type: none"><li>- Rubber growing in DRC</li><li>- Planting, harvesting, and processing of rubber</li><li>- Products from latex or rubber is used for.....</li></ul>	Gives the meaning of lumbering  Outlining the problems facing lumbering in DRC  Tell how rubber growing in DRC is done	Correctly uses the following words related to the lessons, E.g lumberjackets, fierce	question and Answer  Guided Discussion  Exposition  Brainstorming  Discovery	Outline the problem facing lumbering in DRC	Critical thinking  Discussion making	Samples of products from latex	Page 112-115  The winner SST Bk7 page 166-169
6	1	Living Together in Africa	Economic Development in Africa	Challenges facing Africa Illiteracy, low life expectancy Poverty, High fertility rate, Ignorance, low life expectancy Diseases, famine Early marriages High infant maternal and mortality rate	State the major challenges facing economic development  Gives the effects of some social challenges  States the solutions for social challenges facing economic development of Africa	Reads, pronounces, spells, writes and correctly uses the following related words to form sentences literacy, poverty, infant, mortality, fertility, life expectancy	Discussion  Exposition  Brainstorming  Discovery	States the social challenges facing Africa	Analysing the situation	Pictures of people affected by disease	Page 138-141  The winner SST bk7 page 181-182
2	Living Together in	Economic Development	Challenges facing	Economic challenges facing Africa	Mentions the economic	Correctly uses the following words related to	Question and Answer	Discussing the	Effective Commu	The Sipro Tr's	

	Africa	ment in Africa .	economi c develop ment in Africa	- Poor transport and communication Shortage of fund - Unemployment, under development - Corruption, Brain drain, - Low level of technology - High dependency ratio	Challenges Suggests the possible solution to the challenges facing Africa	the lessons; e.g employment, corruption, funds brain, technology, collapse	Guided Discussion Exposition Brainstorming	challen ges facing Africa	nication	Critical thinking		guide pages 142-145
3	Living Together in Africa	Economic Development in Africa	Challen ges facing economic development in Africa	Political challenges facing Africa Wars, Riots, Disunity, Coups, High number of refugees Poor government, political instability Foreign domination Possible solutions to the challenges affecting economic Development in Africa	Mentions the political challenges facing Africa  Outlines solutions to political challenges facing Africa	Correctly uses the following words related to the lesson, E.g wars, coups, conflicts, refugees, governance, riots, violation	Discovery  Discussion  Question and answer  Explanation	Discussing the solutions to the political challenges facing Africa	Creative Analysis in g the situation problem solving	A picture of refugee camp picture of police controlling riots	The winner SST bk7 page 183-186	
4	Living together in Africa	Major world organizations	Formation of the United States	- Origin of the UN - World War 1 & 2 - Causes of wars - Objectives of UN	Explain how the two wars led the formation on the United Nations  Explain the formation and failures of league of nations  States the objectives of UN	Correctly uses the following words related to the lessons  E.g Peace, security, relationship human rights, protect	Exposition  Discussion  Question and answer	Discussing the objectives of the UN	Problem Solving Communication	Fresh cards	Systematic approach to new curr	P.g 113-118
5	Living together in Africa	Major world organizations	Member ship of the UN	How can a country become a member of UN	Discuss the procedure of UN membership Mentions the Origin of 51 UN member	Membership procedure, charter, application.	Question and answer discovery	Tells the procedure a countr	Use polite languag e	World map showing UN member	Tr's guide	P.g 157

			States	Recommendatio n.			SST Atlas	
					Y becomes UN member	Logical flow of ideas		
1	Living together in Africa	Major world organizations	UN Organs and their duties	Organs of the UN - The general Assembly - The security council - The economic and social council - The secretariat - The international court justice - Trusteeship Council	Mentions the organs of the UN agencies States the functions of UN Organs	Security, Assembly, secretariat, trusteeship, budget, justice permanent	Critical thinking	Symbol of UN
4	Living together in Africa	Major world organizations	UN Agencies and its function s	What is an Agency? UN agency UNESCO, UNDP, ILO, UNICEF, UNHCR, IMF, IBRD, IDA, UNEP, UNIDO, UPU, WTO, WIPO, UNAEC	Mentions the UN agencies States the functions of the UN agencies IFAD, WHO, FAO, IMO, ITU	Correctly writes the abbreviations of UN agencies in full	Stating the functions of the UN agencies	A chart showing un Agencies and their functions
5	Living together in Africa	Major world organizations	Importance of the UN flag	Importance of the UN - Promoting Unity, trade, security and peace - Improves production of food - Controls diseases - Promoted industrialization - Production of food, conservation of environment Challenges facing the UN	States the importance of UN	Correctly uses the following words related to the lesson, importance, unity, democracy, treaty, governance	Exposition Discussion Discovery	P.7 CUR R Page 342
1	Living together in Africa	Major world organizations	Human rights in the UN charter	What are Human Rights? Basic freedom the everyone has to be treated fairly Instruction in Human rights in the UN charter Refer to page 173-176.	Gives introduction to the human rights in the UN charter States human rights in the UN	Declaration, slavery, violate, torture, liberty, dignity, race	Giving examples of human rights in	The National Constituti on UN

					universal declaration of human rights			according UN Charter		declaration chart	172-78	
										People under slavery		
2	Living together in Africa	Major world organizations	Violation of human rights and respect for Human rights	Ways in which human rights are violated Ways human rights are violated Torture, Rape, Genocide, Slavery . Sexual assault, killing people Imprisonment, Arbitrary arrest Assassination, child abuse	States different ways human rights are violated  Mention the ways of respecting human rights	Correctly use the following words related to the lesson to form sentences e.g torture, rape, Humanity, moral, Genocide crimes, massacres, starvation	Brain storming Role play Discussion Discovery	Ways of respecting human rights	Problem solving Creative thinking	Written chart showing the ways of violating human rights	P.g 117-179 P.7 CurR 343	
3	Living together in Africa	Major world organizations	Common wealth of Nations	- Origin of Common wealth of Nations - Objectives of common wealth Nations Unite Britain former colonies Good governance Market for products Industrialization - Members states that common wealth of Nations Refer to P. 184 - Characteristics of common wealth of Nation	Gives Belief background of common wealth of Nation  Names the member states of common wealth of Nations.	Reads, spells, pronounces, and writes words correctly e.g membership, common wealth	Discussion Exposition Question and answer Discovery	Naming member states of common wealth of mention	Effective communication	World map showing member states of common wealth of Nations	P.7 SST CurR P.g 343  Sipro Teachers guide P.g 180-185	
4	Living together in Africa	Major world organizations	Organs of common wealth of nations and	Former organs of CWN Common wealth secretariat High commissioners and ambassadors Organization of CWNS	Tells the former organs CWN  Compares the activities of UN and	Uses of the following words correctly, secretariat advisory, technical bureau high	Discussion Exposition Question and answer	Comparing the activities of UN and	Effective communication Appreciation	Logos and symbols of CWN	The Sipro Tr's guide Bk 7 P.g 185-	

			their functions			commissioners , premier ambassadors		CWN	Problem solving		189	
5	Living together in Africa	Major world organizations	Functions of the CWN	Structure of CWN <b>Functions of CWN</b> good governance promoting human rights promoting trade cooperation and friendship agriculture development How common wealth of nations benefits its member states political benefit economic benefit social benefit	Gives the functions of CWN  Explains how CWN benefits its members politically, socially and economically.	Cooperation, peace, improves democracy, governance	Giving the roles former organs of CWN And structures of modern CWN	Critical thinking  Self esteem	A list of function of CWN		The Sipro Tr's guide Bk 7 P.g 185-186	
1	Living together in Africa	Major world organizations	Functions of the CWN	<b>Similarities between activities of UN &amp; CWN</b> Good governance/ democracy Peace and security Provision of loan, grants and donations <b>Differences between UN &amp;CWN</b> UN diplomats are called Ambassadors while CWN Diplomats are called High commissioners UN carries activities in member states while CWN only carries activities in countries once ruled by Britain and those that have applied	Explain the differences and similarities between UN & CWN  Differerciates between high commissioner and Ambassador	Correctly uses these words in sentences and structure eg ambassador, commissioner, diplomats, governance, loan donation, grant, develop	brainstorming	Comparing the activiti es of un & CWN	Effective communication	Comparisons on a charts	The Sipro Tr's guide Bk 7 P.g 185-187
